No. 957 of 1859.—His Excellency the Governor General in Council is pleased to direct the publication of the following report from Captain Renny, Commanding 3rd Sikh Infantry, of an action with the Rebels at Chainpore, on the 1st ultimo.

His Excellency in Council considers the operations reported creditable to Captain Renny, and to the Detachment under his Command.

No. 49.

FROM CAPTAIN R. RENNY,
Comdg. 3rd Sikh Infantry,
TO CAPTAIN BIDDULPH,
Assistant Adjutant General,
Oude Field Force,
Camp Siswa, 2nd June 1859.

SIR,

FOR the information of Major-General Sir J. Hope Grant, K. C. B., Commanding in Oude, I have the honor to report that, having ascertained from my spies, that two leaders named Bullee and Bulkurreem Sing, with a body of Rebels, were located in the village of Chainpore, on the edge of the jungle under the Nepaul Hills, about 20 miles North-East of Dhukeeree, I resolved to make a night march and surprise them if possible. I accordingly marched at 5 P. M.

on the 31st ultimo, with the Troops noted in the margin, leaving my Camp under protection of a Company of the 3rd Sikh Infantry, with instructions to move up to Siswa, early the next morning.

At 9 P. M. I had arrived within six miles of the position supposed to be occupied by the enemy : as I considered it would be inadvisable to reach it before day-light I bivouacked for the night marching again at 2 o'clock A. M., and succeeded just as the day broke, in surprising and capturing 20 Rebels, 3 Elephants, 2 Camels, 17 Horses, besides a large quantity of Arms of all descriptions. Amongst the prisoners captured were Sepoys of the 42nd, 60th and 67th Regiments of Native Infantry.

I was now informed that the remainder of the Rebels, with Bullee and Bulkurreem Sing, occupied a line of topes running along the edge of the Terraie and within half a mile of it, leaving the prisoners in the charge of a small Guard, I at once pushed on with the remainder of the Troops, but fearing that the enemy might obtain information of my approach, I advanced with the Cavalry, with a view to getting between them and the Terraie to cut off their retreat, and keep them in check till my Infantry could come up. This I succeeded in doing, but the Rebels, apparently all regular Sepoys, and about 200 strong, turned out and attacked me in a most determined manner.

<i>3rd Sikh Infantry.</i>	
2	European Officers.
9	Native Officers.
373	{ Non-Commissioned Officers and Rank and File.
<i>Troop of Native Cavalry.</i>	
3	Native Officers.
48	{ Non-Commissioned Officers and Sowars.

Seeing this I at once charged them. I was received by a volley of musketry, and before I could rally my Cavalry the enemy had made a hasty retreat into the dense jungle in their front. When the Infantry came up, I followed for some distance, but losing all trace of them was obliged to give up the pursuit, and marching Westward along the edge of the Terraie reached this at 5 P. M. yesterday, having gone over upwards of forty miles in 24 hours.

I cannot speak too highly of the conduct of the Detachment. All exerted themselves and endured with

equal cheerfulness the fatigue of a long and harassing march in one of the hottest days I ever experienced in India.

A Casualty Roll is enclosed,

I have, &c.,

(Signed) R. Renny, Captain,
Commanding 3rd Sikh Infantry.

Proclamation.

THE Restoration of PEACE and TRANQUILLITY to the QUEEN'S DOMINIONS in INDIA makes it the grateful Duty of the Viceroy and Governor General in Council to direct that a Day be appointed for a solemn THANKSGIVING to ALMIGHTY GOD for His signal Mercies and Protection.

War is at an end ; Rebellion is put down ; the Noise of Arms is no longer heard where the Enemies of the State have persisted in their last Struggle ; the Presence of large Forces in the Field has ceased to be necessary ; Order is re-established ; and peaceful Pursuits have everywhere been resumed.

The Viceroy and Governor General in Council desires that THURSDAY the 28th of July be observed as a DAY OF GENERAL THANKSGIVING for these great Blessings, and as a Holiday throughout BRITISH INDIA, by all Faithful Subjects of the QUEEN.

Especially His Excellency in Council invites all Her Majesty's Christian Subjects to join in a humble Offering of Gratitude and Praise to ALMIGHTY GOD for the many Mercies vouchsafed to them.

The Bishop of Calcutta will be requested to prepare a FORM of PRAYER, to be used on the Day above-mentioned by the Congregations under His Lordship's spiritual Authority.

OFFICE OF THE DIRECTOR-GENERAL
OF THE POST IN INDIA,
January 1st, 1859.

- The following Conditions are to be observed in sending Book-Packets by Post:—
- 1st.—The Postage must be pre-paid in full, by means of Postage Stamps affixed outside the Packet on its cover.
- 2nd.—Every Packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination.
- 3rd.—The Packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment or vellum (to the exclusion, however, of letters whether sealed or open) and the books or other publications, prints, maps, &c., may be either printed, written or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books; and in short whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto.
- 4th.—The Packet must not contain any letter, closed or open, or any enclosure sealed or otherwise closed against inspection, nor must there be any letter, or any communication of the nature of a letter, written or printed in any such Packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.
- 5th.—No Book-Packet can be received if it exceeds two feet in length, width, or depth.
- 6th.—Any Packet which shall not be open at the ends or sides, or shall have any letter or any communication of the nature of a letter written or printed in it or upon its cover will be charged with Letter Postage.
- 7th.—If a Packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the Packet, charged with full Postage as an unpaid letter

together with an additional Book-rate; that is, with the Postage chargeable on a Book weighing not more than half a lb the remainder of the Packet, if duly pre-paid with Stamps, will then be forwarded to its address.

8th.—If a Packet be not sufficiently pre-paid with Stamps but nevertheless bear Stamps equal to a single Book-rate, it will be forwarded charged with the deficient Book-Postage together with an additional Book-rate; but any Packet which shall not bear Postage Stamps equal to a single Book-rate will be detained and charged with the Letter Postage.

9th.—No Book-Packet weighing more than three lbs can be sent to or from the East Indies or to New South Wales.

10th.—The Colonial Book-Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

11th.—In no case can a Book-Packet be sent to the Colonies (except at the letter rate of Postage,) through a Foreign Country.

SPECIAL Notice is directed to the subjoined Clauses of Rules, the want of attention to which has occasioned the Post Office much inconvenience.

2nd.—A separate instruction will be required for every change of address, and no instruction will be attended to for more than three months after its receipt.

3rd.—Under Section XXIII., of Act XVII. of 1854, Forward Postage will be charged in addition to all other Postage due or paid thereon upon every letter without exception, which may be re-directed in any Post Office. For example, if a letter posted in Calcutta and addressed to Hooghly is, under instructions which may have been received from the addressee, re-directed in the Calcutta Post Office and sent to Barrackpore, Forward Postage will be charged in addition to the Postage which would have been due, had the letter been despatched to Hooghly according to its original address.

4th.—The practice of giving instructions to the Officers of the Post Office to intercept and re-direct letters, not only imposes much labor upon them, but in large Offices seriously retards the delivery and despatch of the Mails. A register of instructions regarding changes of address will be kept in every Post Office, but it must be understood, that it is impossible to guarantee that they shall be attended to, except in the case of letters received for delivery.

THERE is only one delivery of letters at the General Post Office on Sundays, and Banghy Parcels are neither received nor despatched on that day.

LETTERS and Newspapers despatched to and from the United Kingdom by private Vessels are liable to the following rates of Postage which must be pre-paid by Stamps:—

	Rs.	As.	Pie.
Letters not exceeding $\frac{1}{2}$ oz. in weight	...	0	4
Ditto exceeding $\frac{1}{2}$ oz. but not exceeding 1 oz.	...	0	8

And so on adding 8 annas for each oz. or fraction thereof which includes Inland Postage.

Newspapers not exceeding 4 oz. in weight, 1d. or 9 pie must be pre-paid in cash, and no Inland Postage is required upon such papers.

Parcels conveyed by the above opportunity for the United Kingdom are liable to Letter rates of Postage.

Notice.

THE following Extract of an Order of the Government of India, No. 884, of the 13th July 1855.

“No Public Officer is authorized to send Covers on the Public Service by Post, without payment of Postage, unless he is at the time on active duty and in charge of the Office by virtue of which the privilege is enjoyed. All letters superscribed as ‘on the Public Service only’ must, even though the Postage thereon be not paid, be received and opened by the Officer to whom they are addressed, but if any such, or partially paid letter so superscribed, and addressed to any Officer except a Secretary to Government be found when opened, to relate to the private affairs of the Sender, the Postage will be debited to him and he will be further liable to be dealt with under Section XLVII., Act No. XVII. of 1854.

His Honor in Council further directs that unpaid or insufficiently paid letters addressed to any such Officer or Department and not superscribed “on the Public Service only” be refused, or if opened that it be at the risk and cost of the opener.”

LETTERS arriving at the Presidency Towns, by Mail Steamers will be immediately sorted for delivery according to the address alone, without any reference to instructions which may have been received regarding change of address; such changes will be left to be discovered by the Delivery Officers, and be corrected in the forward and unclaimed Departments of the Office.

Forward Postage will be charged in addition to all other Postage due or paid thereon, upon every letter, without exception, which may be re-directed in the Post Office.

Letters, &c., received by the Steamer will be delivered at the Window of the Post Office only to parties who have registered their names. Applications to the Post Office on the day of the Steamer’s arrival to intercept and re-direct letters, &c., cannot be attended to, as they are found not only to impose much labour but seriously retard the delivery and despatch of the Mails.

ALL Banghy Parcels being registered before despatch it is needless to have a Banghy Parcel specially registered by payment of the Fee of 4 annas as no additional precaution can be taken of a specially Registered Parcel which is not taken in the case of every ordinary Banghy Parcel.

UNDER the orders of Government, no fourth delivery of letters by the Post Office is allowed. Mails which are received by Steamers from Suez at so late an hour in the day as not to admit of the letters being taken out for delivery by 6 P. M. are detained till the following morning, but parties who have registered their names under the usual fee, are entitled to receive their letters and Marseilles Newspapers so soon as the Mails are sorted, and which is generally about 2½ hours after receipt of the Mail, at the Post Office.

THE exemption allowed to Officers with the Army from the charge of Forward Postage on re-directed letters has been continued by the Governor-General "until further orders."

Forward Newspapers.—Extra or Forward Postage is chargeable on every Newspaper re-directed at the Post Office of original address and forwarded to another Post Office.

MAILS for Akyab, Rangoon, and Moulmein are made up on the 3rd and 19th of each month, for transmission by the Contract Steamers or by Government Vessels, which sail on the morning of the 4th and 20th, unless the Contractors choose to postpone the departure for 48 hours, of which they have the power on making a requisition.

No. 1362.

Fort William, the 1st July 1859.

Notifications.—In continuation of the Notification, No. 1858, dated the 6th of August 1858, the following Despatch from the Right Hon'ble the Secretary of State for India, No. 8, dated the 12th of May last, is published for general information:—

No. 8.

INDIA OFFICE,
London, 12th May 1859.

TO HIS EXCELLENCY THE RIGHT HON'BLE THE
GOVERNOR GENERAL OF INDIA IN COUNCIL.

Educational.

No. 8.

"MY LORD,

"Para. 1.—The letters noted in the margin relate to various measures for the improvement and extension of Education, which you have referred for my orders, with reference to the Despatch of the Court of Directors, dated 22nd June (No. 86,) 1858, paragraph 38, which prohibited any increase of expenditure on account of Education, without their previous authority."

"2. The proposals embraced in the letters are severally as follows:—

"The establishment of a Central School for English Masters, in connection with the Elphinstone Institution at Bombay, at an expense of Rupees 1,250 per mensem, and the addition of Masters of Method to the existing Normal Schools at Ahmedabad and Poonah, at a total increased expense of Rupees 502 per mensem."

"The grounds on which this proposal is made by the Bombay Government are the great want of English Teachers throughout the Presidency, and the wish of the Court of Directors that such Teachers should be obtained in India, rather than be sent out from England."

"The expenditure of Rupees 18 per mensem, for one year, for the subsistence of three persons, (at Rupees 6 each,) to be trained at the Mechanical School at Poonah, as Teachers for the Koollee Schools in the Northern Concan. The Government of Bombay, thinking that political reasons called for the instruction of these wild tribes, sanctioned the grant, subject to the confirmation of your Government; but you did not think there were any peculiarities in the case, which took it out of the operation of the Court's prohibitive orders; and therefore declined to confirm the grant, pending my orders upon it."

"The grant of Rupees 50 (fifty) per mensem, in aid of the Schools about to be established at Nynce Tal, by the American Methodist Church Mission, and a contribution of Rupees 1,500 towards the School Buildings. The grants had been brought before the Governor General, and were on the point of being sanctioned, when the Court's orders, prohibiting any increase of expenditure, were received; and on the grounds that the application of the Missionaries was submitted previously to the publication of the prohibitory orders, and that, in reliance on the Rules then in force, they had incurred considerable expenditure in anticipation of the grants, His Lordship is now desirous that the case should receive favorable consideration."

"The assignment of Rupees 1,000 per mensem, for the establishment of Female Schools in Hooghly, Burdwan and the Twenty-four Pergunnahs, a portion to be expended in a limited number of Model Female Schools to be supported by Government, and a portion on grants-in-aid to some of the Female Schools, which had been established as Government Schools by Pundit Eshwur Chunder Surma, (Principal of the Sanscrit College,) while

Inspector of Schools around Calcutta, but the entire maintenance of which by Government has been disallowed, as not being in accordance with the Grant-in-aid Rules."

"Proposed addition to the Establishment of the Director of Public Instruction, of a Librarian on Rupees 200 per mensem, with Rupees 50 per mensem for a Clerk and Stationery, for the purpose of enabling the Director to carry out the instructions of the Court of Directors for the submission of an Annual Report on the publications of the Native Press in Bengal. This proposal was negatived by your Government as extravagant, with the remark that the Report required by the Court must be supplied by means of the existing Establishment, or of one involving no greater expense; but it has been re-submitted by the Director, with the support of the Lieutenant-Governor, and is therefore forwarded for my consideration."

"The encouragement of Vernacular Education in the Province of Cuttack by means of Model Schools, Vernacular Scholarships, Book Mohurirs, and Rewards to indigenous Teachers and their Pupils, at a cost of Rupees 781 per mensem at first, and ultimately of Rupees 961 per mensem."

"3. In communicating the decision to which after consideration in Council, I have come, with respect to these proposals, it is scarcely necessary to remark that nothing but urgent Financial considerations would have led the Home Authorities, in their Despatch of 22nd June 1858, to impose any general restriction on the progressive development of those measures for the extension of Education throughout India, which had been brought into operation under their instructions. Those considerations, as you are well aware, exist in still greater force at the present time, than at the date of the orders referred to; and they compel Her Majesty's Government to limit their sanction of any new expenditure to cases, if not of absolute necessity, at least of very exceptional interest and importance."

"4. I concur in the remarks addressed by you to the Government of Bombay, with respect to the sanction accorded to the expenditure for training Masters at Poona for Koolee Schools. As however the amount is so small, and as so large a part of the year has expired, for which the grant was made, it is not necessary now to interfere with it."

"5. The case of the Mission School at Nynce Tal rests on special and peculiar grounds; and as it appears that the Managers had entered into engagements in dependence on aid from Government, in accordance with the established Rules, Her Majesty's Government are constrained to sanction the proposed grants."

"6. The other proposals which you have submitted, however desirable for the most part, the objects to which they relate are not such as Her Majesty's Government can sanction, under the existing Financial pressure; and the consideration of them must accordingly be reserved for a future occasion."

I have, &c.,

(Signed) STANLEY."

Notification.—The following Extract, paragraph 41, from a Despatch, No. 4, dated the 7th April 1859, from the Right Honorable the Secretary of State for India is published for general information:—

“ 41. After a full consideration of the grounds on which the Court of Directors formerly gave their sanction as a temporary arrangement, to the employment of Covenanted Civil Servants in the Department of Education, Her Majesty's Government are, on the whole, of opinion that, as a general rule, all appointments in the Department of Education should be filled by individuals unconnected with the Service of Government, either Civil or Military. It is not their wish that Officers now in the Department should be disturbed for the sole purpose of carrying out this Rule, and they are aware that difficulty might at present be experienced in finding well-qualified persons unconnected with the regular services, to fill vacant Offices in the Department. But it is their desire that the Rule now prescribed be kept steadily in view, and that every encouragement be given to persons of Education to enter the Educational Service, even in the lower grades, by making it known that in the nominations to the higher Offices in the Department, a preference will hereafter be given to those who may so enter it, if competent to discharge the duties.”

FROM BRIGADIER ST. G. D. SHOWERS, C. B.,

TO THE CHIEF OF THE STAFF,
Head Quarters, Simlah.

Agra, the 30th May 1859.

SIR,

I HAVE now the honor to forward the missing Reports of my Despatch, reporting the attack of the rebel position at Patun. I include in this the Report of Captain Fane.

I have, &c.,

No. 357 A.

FROM BRIGADIER ST. G. D. SHOWERS, C. B.,
Comdg. Agra and Muttra Districts,
TO THE CHIEF OF THE STAFF,
Head Quarters Camp, Utaikhera,
The 18th April 1859.

SIR,

WHEN halted at Goonah, waiting the final instructions of Brigadier-General Sir Robert Napier, K. C. B., regarding my return to Agra, I have the honor to report, for the information of the Right Hon'ble the Commander-in-Chief, that I received reliable information that a party of Rebels, under Feroze Shah and three local Chiefs, were in the village of Patun about 50 miles distant.

2. I moved off with my Force at 4 p. m. the same evening, and reached Kuchnar Serace, thirty miles off, the next morning. During the afternoon the intelligence I had previously received of the position of the Rebels was confirmed. I divided my Force into three Columns.

One under Lieutenant-Colonel Custance, C. B., 6th Dragoon Guards, was directed to move on Gurhpara, a village in the jungle, and one of the resorts of the Rebels.

A second under Lieutenant-Colonel Sawyer, 6th Dragoon Guards, with the Camp and Baggage, proceeded to Billakhera.

While I went myself with the third, the Force noted in the margin, to Patun.

1 Sergeant	} 6th Dragoon Guards.
1 Corporal	
12 Privates	} Rifle Brigade.
1 Squadron, 4th Sikh Cavalry.	
2 Field Officers	} Camel Corps.
2 Subalterns	
80 Rank and File	} Sikh.
1 Havildar	
20 Sepoys	

the South-West and Billakhera, six miles to the West. On reaching Patun I found the Rebels had left. One man belonging to the village informed me they had gone to Muthanuh, three miles distant, and situated deeper in the jungles. As the inhabitants of Patun were known to be in favor of the Rebels, I

rejected his intelligence, but I decided on remaining at the village to make further inquiries.

4. I had directed the men to carry one day's cooked provisions in their haversacks; and had planned, if I should find the Rebels at Patun, to drive them on to my Columns at Gurhpara and Billakhera, and expected to rest at night at the latter place. I had therefore neither tents nor cooking things with me, and the Rebels who were really, at Muthanuh, thinking from the absence of an encampment, my force was a party of the Gwalior Troops, assembled on one of the hills to attack us.

5. The men were well dressed, and they came down in skirmishing order with so much regularity that I was at first doubtful whether they did not belong to another British force who had mistaken us for Rebels.

6. When I was satisfied they were Rebels, I directed a party under Brevet Major Nixon, of the Rifle Brigade, Camel Corps, to proceed through a gorge in the hills, and then to advance up and attack them. At the same time a party of the 4th Sikh Cavalry under Lieutenant Fane, Commanding that Corps, was ordered to proceed round the Hill to take the Rebels in rear, after the party under Major Nixon should have driven them back.

7. As it was possible the Rebels' skirmishers might have been supported by a strong force behind the Hill, I directed Lieutenant-Colonel Ross, of the Rifle Brigade, Commanding the Camel Corps, to proceed with the remainder of his men in support of Major Nixon, while I went with the rest of the Cavalry up the brow of the Hill to the left, in the hope of coming up with a party of the Rebels who had disappeared in that direction. Major Nixon, however, with his Riflemen and Sikhs did his work so rapidly, that nothing was left for the supports to do. On my reaching the top of the Hill not a Rebel was in sight. They had disappeared among the thick jungle, and left no trace by which I could judge of the direction they had taken. I was therefore obliged to give up the pursuit and wait for further information.

8. I beg to enclose copies of the Reports of Major Nixon, Camel Corps, and Lieutenant Fane, Commanding 4th Sikh Cavalry; and I have to commend the activity and perseverance with which the attack was made, and the pursuit kept up by these Officers, and the Officers and Men under their Command. I have also to bring to the notice of the Right Hon'ble the Commander-in-Chief the alacrity and steadiness with which all my little force moved forward in the hope of coming up with the Rebels.

I have, &c.,

(Signed) ST. G. D. SHOWERS, Brigadier,
Comdg. Agra and Muttra Districts.

FROM LIEUTENANT WALTER FANE,
Commanding 4th Sikh Cavalry,

TO THE BRIGADE MAJOR,

Agra Field Force,
Camp Utaikhera, 18th April 1859.

SIR,

On the 16th instant, Brigadier Showers, having detached me with a Troop of my Regiment, to beat up the jungles at the foot of the Hills on which the enemy were posted, near Patun, I have the honor to report that, having no guides, before I had got half a mile from the village, the thick jungle and scrub so impeded my advance that I turned to the left and advanced up the spur of the Hill on which the enemy were first seen.

By this time Captain Nixon, with the Rifles, had crowned the heights on my left, driving their skirmishers across the valley below, and the Horsemen of the party were seen going off at a gallop on the opposite side of a deep Nullah.

I followed immediately, but on account of the dense jungle only succeeded in capturing five or six Ponies, and seven Camp Followers, (one of whom was said to be a Sepoy.) The main body I afterwards heard had broken into two parties, the mounted men flying along the foot of the Hills, and the Footmen up the ravine to the left.

The whole country was a mass of heavy jungle, but Kote Duffadar Hurree Singh, whom I had detached (with four Sowars to beat up a ravine, came across two of the fugitives, sabred one and shot the other. As one of the captured Camp Followers reported to me that the Rebels had encamped the night before at a village called Muthame, I went there and found traces of their having been there very recently. In fact from the marks I should say they left only to attack us at Patun.

Camp Utaikera Gwalior, 18th April 1859.

SIR,

IN accordance with the direction of Brigadier Showers, Commanding Column, I have the honor to report to you for his information, that, on receiving your orders, I moved with a Force as per margin, at 11 A. M., on the 16th instant, to oppose a line of skirmishers which was moving down

the Hills towards our position outside the village of Patun.

I extended half of my men in skirmishing order, the remainder being in support under the Command of Lieutenant Ramsbottom, and I directed Lieutenant Austin to continue the extension to the left with the Natives under his Command, the enemy whom I believe to have been dismounted Sowars about 60 in number descended the Hill in very good order, until my skirmishers had arrived at the foot of it, which was about one-third of a mile from the village, when I opened fire on them. They returned this without any damage to us, and those directly opposite to our skirmishers retired quickly over the brow of the Hill, those to my left escaping by the ravines, and through the long grass and thick jungle in a North-Easterly direction. I pursued the Rebels who had retreated to my front, as quickly as the steepness of the Hill and bad nature of the ground would admit of. On reaching the other face of the top of the Hill, I perceived about 100 of the enemy in a body 900 yards from me in the Plain beneath which was covered with jungle. They were mounting their horses, and I again opened fire, emptying several saddles and producing an immediate flight. They retreated very rapidly through the jungle to the South-East, when, owing to the exceeding thickness of the jungle, I lost sight of them, but continued to advance with my skirmishers so as to support Captain Fane, who was pursuing with the 4th Seikh Cavalry, in case my assistance should be required.

After proceeding at a fast pace for three miles, I came up with Captain Fane's Force, and all the enemy having disappeared, and there being no traces

through the jungle by which they could be pursued, I returned with the skirmishers to Camp. The supports coming in half an hour afterwards.

I have, &c.,

EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 20TH JUNE 1859.

Extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 33 of 1859, dated 21st April.

PARA. 12. Mr. Stockenbrook has served the Government continuously for thirty-one years on salaries exceeding 10 Rs. per mensem, and for nearly seven years of that period he was a Printer and Superintendent of the Government Lithographic Press at Surat. You observe, that the Pension Rules are silent in regard to persons employed in Printing Establishments, and that men employed in the Printing Establishments at Calcutta are excluded from the operation of those Rules; but as Printers are generally of the same class as Writers, and as, consequent on the introduction of printing into the Government Offices, many Writers are now taking service as Printers, you recommend that the Pension Rules should be applied to Printers.

Letter dated 20th December 1858, No. 34.

HAVE sanctioned the grant of a Pension, equal to one-third of his average salary during the previous five years, to Mr. J. E. Stockenbrook, lately a Clerk in the Office of the Collector of Ahmedabad. Request instructions as to the admission of Printers to the Uncoovenanted Service Pension Rules.

Letter dated 20th December 1858, No. 34.

HAVE sanctioned the grant of a Pension, equal to one-third of his average salary during the previous five years, to Mr. J. E. Stockenbrook, lately a Clerk in the Office of the Collector of Ahmedabad. Request instructions as to the admission of Printers to the Uncoovenanted Service Pension Rules.

PARA. 13. Under the circumstances represented, I see no reason for making Printers an exception to the Rules applicable to other Government Servants, and you will accordingly admit them to the benefit of the Pension Regulations. You will adjust Mr. Stockenbrook's Pension in accordance with this decision.

His Excellency the Governor General in Council is pleased to resolve, in accordance with the decision of the Right Hon'ble the Secretary of State for India, as conveyed in the concluding portion of the 13th paragraph of the abovementioned Despatch, that the Superannuation Pension of one-third of the average monthly salary during the last five years of his service of upwards of thirty-one years, granted to Mr. J. E. Stockenbrook, under the orders of this Department, dated the 20th December last, be increased from that date to one-half of his salary, or Rupees 35 per mensem.

ORDERED, that a copy of the above be forwarded to the Government of Bombay and to the Civil Auditor at the Presidency, for information and guidance, with reference to the communications made to them, respectively, from this Department, under date the 20th December last.

And whereas, notwithstanding Our utmost Exertions to preserve Peace between all the Sovereign Powers and States now at War, Hostilities have unhappily commenced between His Imperial Majesty The Emperor of Austria on the one Part, and His Majesty The King of Sardinia and His Imperial Majesty The Emperor of the French on the other Part :

And whereas a State of War now exists between His Imperial Majesty The Emperor of Austria on the one Part, and His Majesty the King of Sardinia and His Imperial Majesty The Emperor of the French on the other Part, and between their respective Subjects and others inhabiting within their Countries, Territories, or Dominions :

And whereas We are on Terms of Friendship and amicable Intercourse with all and each of these Sovereigns, and with their several Subjects and others inhabiting within their Countries, Territories, or Dominions :

And whereas great Numbers of Our loyal Subjects reside and carry on Commerce, and possess Property and Establishments, and enjoy various Rights and Privileges, within the Dominions of each of the aforesaid Sovereigns, protected by the Faith of Treaties between Us and each of the aforesaid Sovereigns :

And whereas We, being desirous of preserving to Our Subjects the Blessings of Peace, which they now happily enjoy, are firmly purposed and determined to abstain altogether from taking any Part, directly or indirectly, in the War now unhappily existing between the said Sovereigns, their Subjects and Territories, and to remain at Peace with and to maintain a peaceful and friend-

ly intercourse with all and with each of them, and their respective Subjects, and others inhabiting within any of their Countries, Territories, and Dominions, and to maintain a strict and impartial Neutrality in the said Hostilities and War unhappily existing between them :

We, therefore, have thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation :

And We do hereby strictly charge and command all Our loving Subjects to govern themselves accordingly, and to observe a strict Neutrality in and during the aforesaid Hostilities and War, and to abstain from violating or contravening either the Laws and Statutes of the Realm in this Behalf, or the Law of Nations in relation thereto, as they will answer to the contrary at their Peril :

And whereas in and by a certain Statute made and passed in the Fifty-ninth Year of His Majesty King George the Third, intituled "An Act to prevent the enlisting or Engagement of His Majesty's Subjects to serve in a Foreign Service, and the fitting out or equipping, in His Majesty's Dominions, Vessels for Warlike Purposes, without His Majesty's Licence" it is amongst other Things declared and enacted as follows :—

"That if any Person within any Part of the United Kingdom, or in any Part of His Majesty's Dominions beyond the Seas, shall, without the Leave and Licence of His Majesty for that Purpose first had and obtained as aforesaid, equip, furnish, fit out, or arm, or attempt or endeavour to equip, furnish, fit out, or arm, or procure to be equipped, furnished, fitted out, or armed, or shall knowingly aid, assist, or be concerned in the equipping, furnishing, fitting out, or arming, of any Ship or Vessel, with Intent or in order that such Ship or Vessel shall be employed in the Service of any Foreign Prince, State or Potentate, or of any Foreign Colony, Province, or Part of any Province or People, or of any Person or Persons exercising or assuming to exercise any Powers of Government in or over any Foreign State, Colony, Province, or Part of any Province or People, as a Transport or Store Ship, or with Intent to cruise or commit Hostilities against any Prince, State, or Potentate, or against the Subjects or Citizens of any Prince, State, or Potentate, or against the Persons exercising or assuming to exercise the Powers of Government in any Colony, Province, or Part of any Province or Country, or against the Inhabitants of any Foreign Colony, Province, or Part of any Province or Country, with whom His Majesty shall not then be at War, or shall within the United Kingdom or any of His Majesty's Dominions, or in any Settlement, Colony, Territory, Island, or Place, belonging or subject to His Majesty, issue or deliver any Commission for any Ship or Vessel, to the Intent that such Ship or Vessel shall be employed as aforesaid, every such Person so offending shall be deemed guilty of a Misdemeanor, and shall, upon Conviction thereof upon any Information or Indictment, be punished by Fine and Imprisonment, or either of them, at the Discretion of the Court in which such Offender shall be convicted ; and every such Ship or Vessel, with the Tackle, Apparel, and Furniture, together with all the Materials, Arms, Ammunition, and Stores which may belong to or be on board of any such Ship or Vessel, shall be forfeited ; and it shall be lawful for any Officer of His Majesty's Customs or Excise, or any Officer of His Majesty's Navy who is by Law empowered to make Seizures for any Forfeiture incurred under any of the Laws of Customs or Excise, or the Laws of Trade and Navigation, to seize such Ships and Vessels aforesaid, and in such Places and in such Manner in which the Officers of His Majesty's Customs or Excise and the Officers of His Majesty's Navy are empowered respectively to make Seizures under the Laws of Custom and Excise, or under the Laws of Trade and Navigation ; and that every such Ship and Vessel, with the Tackle, Apparel, and Furniture, together with all the Materials, Arms, Ammunition, and Stores which may belong to or be on board of such Ship or Vessel, may be prosecuted and condemned in the like Manner and in such Courts as Ships or Vessels may be prosecuted and condemned for any Breach of the Laws made for the Protection of the Revenues of Customs and Excise, or of the Laws of Trade and Navigation."

And it is in and by the said Act further enacted,—

“ That if any Person in any Part of the United Kingdom of Great Britain and Ireland, or in any Part of His Majesty's Dominions beyond the Seas, without the Leave and Licence of His Majesty for that Purpose first had and obtained as aforesaid, shall, by adding to the Number of the Guns of such Vessel, or by changing those on board for other Guns, or by the Addition of any Equipment for War, increase or augment, or procure to be increased or augmented, or shall be knowingly concerned in increasing or augmenting, the Warlike Force of any Ship or Vessel of War or Cruizer, or other armed Vessel, which at the Time of her Arrival in any Part of the United Kingdom or any of His Majesty's Dominions was a Ship of War, Cruizer, or armed Vessel in the Service of any Foreign Prince, State, or Potentate, or of any Person or Persons exercising or assuming to exercise any Powers of Government in or over any Colony, Province, or Part of any Province or People belonging to the Subjects of any such Prince, State, or Potentate, or to the Inhabitants of any Colony, Province, or Part of any Province or Country under the Control of any Person or Persons so exercising or assuming to exercise the Powers of Government, every such Person so offending shall be deemed guilty of a Misdemeanor, and shall, upon being convicted thereof upon any Information or Indictment, be punished by Fine and Imprisonment, or either of them, at the Discretion of the Court before which such Offender shall be convicted.”

Now, in order that none of Our Subjects may unwarily render themselves liable to the Penalties imposed by the said Statute, We do hereby strictly command, that no Person or Persons whatsoever do commit any Act, Matter, or Thing whatsoever contrary to the Provisions of the said Statute, upon Pain of the several Penalties by the said Statute imposed, and of Our high Displeasure.

And We do hereby warn and admonish all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, to observe towards each and all of the aforesaid Sovereigns, their Subjects and Territories, and towards all Belligerents whatsoever with whom we are at Peace, the Duties of Neutrality ; and to respect, in all and each of them, the Exercise of those Belligerent Rights which We, and Our Royal Predecessors, have always claimed to exercise.

And We do hereby further warn all Our loving Subjects, and all Persons whatsoever entitled to Our Protection, that if any of them shall presume in contempt of this Our Royal Proclamation and of Our high Displeasure, to do any Acts in derogation of the Duty as Subjects of a Neutral Sovereign, in a War between other Sovereigns, or in violation or contravention of the Law of Nations in that Behalf, as more especially by breaking, or endeavouring to break, any Blockade lawfully and actually established by or on behalf of any or either of the said Sovereigns, by carrying Officers, Soldiers, Despatches, Arms, Ammunition, Military Stores or Materials, or any Article or Articles considered and deemed to be contraband of War, according to the Law or modern Usages of Nations, for the Use or Service of any or either of the said Sovereigns, that all Persons so offending, together with their Ships and Goods, will rightfully incur and be justly liable to hostile Capture, and to the Penalties denounced by the Law of Nations in that Behalf.

And We do hereby give notice that all Our Subjects and Persons entitled to Our Protection who may misconduct themselves in the Premises will do so at their Peril, and of their own Wrong, and that they will in nowise obtain any Protection from us against such Capture or such Penalties as aforesaid, but will, on the contrary, incur Our high Displeasure by such Misconduct.

Given at Our Court at Buckingham Palace, this Thirteenth Day of May, in the Year of our Lord One thousand eight hundred and fifty-nine, and in the Twenty-second Year of Our Reign.

GOD save the QUEEN.

No. 394

FROM BRIGDE. GENL. SIR R. NAPIER, K. C. B.,
Commanding Gwalior Division,

TO THE CHIEF OF THE STAFF.

Head Quarters. Simla,
Morar, 15th June 1859.

SIR,

I HAVE the honor to forward, for the information of the Right Hon'ble the Commander-in-Chief, a Report of a success gained over the Rebels, under Adil Mahomed Khan, in the Basoda District, by Lieutenant Roome, of the 10th Bombay Native Infantry, whom I had sent out in Command of a small Column.

I beg to recommend Lieutenant Roome, to His Lordship's favorable notice, as a most promising Officer, of much spirit and intelligence. His exertions in the field were continued when he should have been in Sick quarters, and I regret to learn that he has suffered severely in consequence.

Lieutenant Bradford, in charge of the Detachment Mayne's Horse, has, on several previous occasions, been very favorably reported to me.

I have called on Lieutenant Roome for a more particular report of the services of the Native Officers, with a view to bring them to His Lordship's notice.

Although the Regiment has been so lately raised, the men have never lost an opportunity of distinguishing themselves.

I have, &c.,

(Signed) R. NAPIER, Brigadier General,
Comdg. Gwalior Division.

FROM LIEUTENANT F. ROOME,
10th Regiment Bombay Native Infantry,
Commanding Field Force,

TO MAJOR TODD,
Adjutant General, Gwalior Division.
Camp Recchea, 16th May 1859.

SIR,

I HAVE the honor to report, for the information of General Sir R. Napier, K. C. B., Commanding Gwalior Division, that having heard that Adil Mahomed Khan was collecting a Force in this neighbourhood for the purpose of attacking Basoda, I left Mungrowlie for this place with Force as per margin.

To deceive the enemy as to my intentions, I had already ordered supplies, &c., to be collected at Natarran and Aijdah, giving out that I was going that way.

I started yesterday at 1 A. M., halting during the heat of the day at Bhoraso, which I left again at 4 P. M.

Adil Mahomed Khan having influential friends in the Koorwas District, it was necessary to take a circuitous route to avoid villages supposed to be friendly to him. On the same account we had to refrain from crossing the Betwa till we reached Bhairkairie. This lengthened our route so considerably that we did not reach this place till about half an hour after day-break, when we found that the enemy had left a few hours before.

Not being able to get any information from the villagers, I divided the Cavalry into three parties to seek for the enemy's tracks. The party which I accompanied consisting of 40 of Mayne's Horse, under Lieutenant Bradford, came upon some fresh foot prints on a jungle path leading towards Konda.

We proceeded along this road at a canter, and when we had gone about four miles, came suddenly upon a strong body of the enemy's Cavalry which we at once charged cutting up many. They then fled in the Daurmurie direction. We pursued for some miles, killing some thirty-five and taking three or four prisoners. The remainder only about twenty then dispersed in the jungles in every direction, and our horses being too tired to pursue further, we returned to this place. The enemy were well mounted and well dressed (some in the scarlet of late Gwalior Contingent) and armed with percussion carbines and pistols.

Our prisoners report that Adil Mahomed Khan, Surferar Khan, and other Chiefs of note were with this party. I very much fear, however, that the former effected his escape as a personage of apparently some importance managed to get away in spite of our endeavours to prevent him. He was exceedingly well mounted, yet I am confident that had our horses been a little fresher, we would have succeeded in catching him.

I cannot speak too highly of the behaviour of Mayne's Horse. These men had marched since yesterday morning a distance of sixty-four miles before coming upon the enemy, and yet they could not have charged with greater dash had their horses been fresh from the stables: this may partly be accounted for by the gallant manner in which they were led by Lieutenant Bradford, of whose excellent soldier-like qualities the General is no doubt aware, and whom I beg to bring again to his favorable notice. The following Native Officers particularly distinguished themselves by their gallantry in hand-to-hand conflicts. Ressaldar Indur Sing, Jemadar Gujur Sing, and Duffadar Luximon Sing. Gujur Sing was wounded by a carbine bullet in the breast, but nothing daunted, cut down the man who fired at him. I am happy to say the wound is slight and he is doing well.

I regret exceedingly that circumstances prevented me from bringing into action and thus rewarding the men of the 10th Regiment Native Infantry the fatigues and privations they had undergone. I cannot say too much in favor of the cheerfulness with which they, and indeed the whole Force bore every hardship, marching day and night, till the object for which we set out was accomplished.

The valuable services rendered to Government during this mutiny by Sir Soobah Ram Chunder Bajee Row are well known to the General, but not only were his exertions on this occasion as untiring as ever, but his gallantry in action was most conspicuous, he having been closely engaged several times.

Wamand Row Mhadow, Tehsildar of Basoda, deserves great credit for the accuracy of the information he procured.

I enclose a Casualty List, which I am happy to say is very small.

I have, &c.,

Comdg. Field Force, Basoda District.

No. 1042 of 1859.—With reference to the Government General Orders cited in the margin, which authorized every General Officer Commanding a Division, every Brigadier, and every Officer Commanding a Station, being the Senior Officer on the spot, to appoint General or other Courts Martial for the trial of offences under the provisions of Acts Nos. VIII., XI. and XIV. of 1857, and to confirm and carry into effect immediately or otherwise, any sentence of such Courts Martial; His Excellency the Governor General in Council is pleased to direct, that the Proceedings of every trial, held under the authority of the Government General Orders above quoted, shall, when a capital sentence has been awarded, be referred for the orders of the Right Hon'ble the Commander-in-Chief.

No. 1043 of 1859.—The term of service for which the Members of the Bengal Yeomanry Cavalry engaged being about to expire, and a large proportion having expressed a wish to be discharged, the Corps was ordered to Sultanpore, Benares, to be broken up.

The disbandment of the Regiment is now in course of being carried into effect.

His Excellency the Viceroy and Governor General of India in Council cannot allow the Officers and Men of this Corps to separate, without expressing in General Orders his acknowledgment of the excellent services they have rendered, and his admiration of their endurance, and of their gallant bearing on the many occasions in which they have come in contact with the enemy.

The Bengal Yeomanry Cavalry, formed in Calcutta in the summer of 1857 on the footing of a Volunteer Corps receiving pay, was, in October of that year, moved towards the scene of the disturbances. Reaching Raneegunge, it proceeded in pursuit of Mutineers to Gya, and thence marched to Patna and crossed into Tirhoot, in which District it was employed watching a body of Rebels. Early in 1858 the Regiment entered the Goruckpore District and took up, alone at first, a bold position at Ahmora, distant only five miles from an overwhelming Rebel force, themselves only two hundred in number; and they held for the greater part of that year, with the Goruckpore Field Force, important posts, and were, during that time, repeatedly engaged with the enemy.

In the cold season of 1858-59, the Regiment was employed in the operations in the Baraich District in Oude, and finally it was engaged, till recently, against the Rebels on the Nepaul Frontier.

The Gazettes of the 23rd March, 27th April, 11th May, 6th and 13th July, 13th August, 12th and 19th October, 23rd November 1858, and 11th and 18th January and 9th March 1859, all testify that the Bengal Yeomanry Cavalry have borne a distinguished part in the several operations therein recounted.

Long marches, exposure, fatigue, and harassing Patrol and Picket duties have from the first fallen to the lot of this young Corps, and they have borne the whole in a truly Soldier-like Spirit.

The Governor General in Council desires to convey to Major Richardson, C. B., and the brave Officers and Men of the Bengal Yeomanry Cavalry

a Regiment of which all who have belonged to it may be proud, his best thanks for the good service they have rendered to the State, and in disbanding the Corps which, from the 27th instant, will cease to belong to the Bengal Army, he wishes the Members of it a hearty farewell.

No. 1044 of 1859.—The services of Cornet W. Bridgeman, Adjutant of the Bengal Yeomanry Cavalry, are placed at the disposal of the Hon'ble the Lieutenant-Governor of the North-Western Provinces.

A Bill for declaring the Law in relation to Bills of Exchange and Promissory Notes becoming payable on days generally observed as Holidays.

WHEREAS no sufficient provision is at present made by law concerning the presentment of Bills of Exchange and Promissory Notes, becoming due and payable upon days which by general custom are observed in India as holidays; and whereas, notwithstanding the general usage of Merchants, doubts have arisen regarding the proper time for presenting such Bills of Exchange and Promissory Notes, and for giving notice of the dishonor of the same; and whereas similar doubts have arisen with respect to Bills of Exchange and Promissory Notes falling due as aforesaid upon days specially appointed by the Proclamation of the Governor General of India in Council for days of prayer and supplication or for days of public thanksgiving; and whereas it is expedient to remove all such doubts; It is enacted and declared as follows :—

Whenever it shall be officially notified in the Government Gazette, (or in the Straits' Settlement in such public manner as the Governor shall think sufficient), that the Government Public Treasury will be closed upon any day or upon any number of consecutive days, hitherto usually observed as a holiday or holidays, Bills of Exchange and Promissory Notes becoming due and payable on such day or on any of such days in any place at which such notification shall be made or to which it shall be applicable, shall be payable on the day or days preceding the day or the first of the days to which

such notification refers; and the holder or holders of such Bills of Exchange or Promissory Notes may note and protest the same for non-payment on the day next preceding the day or the first of the days on which the Treasury is closed, in like manner as if such Bills and Promissory Notes had fallen due and become payable on that day.

II. When Bills of Exchange or Promissory Notes shall be payable either under the above Section or otherwise on the day preceding any holiday or holidays notified as aforesaid, it shall not be necessary for the holder or holders of such Bills of Exchange or Promissory Notes to give notice of the dishonor thereof until the day next after such holiday or holidays.

III. Whenever such holiday or the first of such holidays shall fall on a Monday, it shall not be necessary for the holder or holders of such Bill or Promissory Note as shall be payable either under the above Section or otherwise, on the preceding Saturday, to give notice of the dishonor thereof until the next day after such holiday or the last of such holidays.

IV. The foregoing provisions shall extend to all Bills of Exchange and Promissory Notes becoming due and payable on Christmas Day, or on Good Friday, whether it shall have been notified as aforesaid that the Public Treasury of the Government will be closed on those days respectively or not.

V. The foregoing provisions shall be deemed to apply as well to all Bills of Exchange or Promissory Notes which fall due on any holiday or holidays so notified as aforesaid before the passing of this Act, as to all Bills of Exchange or Promissory Notes which shall fall due after the passing of this Act.

VI. From and immediately after the 1st day of July 1859, in all cases where Bills of Exchange or Promissory Notes shall become due and payable on any day appointed by the Proclamation of the Governor General of India in Council for a day of special prayer and supplication or for a day of public thanksgiving, the same shall be payable on the day next preceding such day of special prayer or day of thanksgiving, and in case of non-payment may be noted and protested on such preceding day, and it shall not be necessary for the holder or holders of such Bills of Exchange or Promissory Notes to give notice of the dishonor thereof until the day next after such day of special prayer or day of thanksgiving.

VII. Whensoever such day of special prayer or day of thanksgiving shall be appointed on a Monday, it shall not be necessary for the holder or holders of such Bills or Promissory Notes as shall be payable on the preceding Saturday to give notice thereof until the Tuesday next after such day of special prayer or day of thanksgiving.

VIII. Every notice of dishonor given at the time authorized by this Act, if in other respects sufficient, shall be valid and effectual to all intents and purposes.

IX. The words "Bill of Exchange" as used in this Act shall include Bank Post Bills, and all Native Drafts or Hoondees requiring by law presentment and notice of dishonor.

NOTIFICATIONS.

EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 27TH JUNE 1859.

Extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 32 of 1859, dated 24th April.

PARA. OF THE CIVIL Auditor's interpretation of the orders conveyed in the Despatch in this Department, No. 28 of 1857, dated 17th April, which forbid incapacity from sickness being admitted as a ground for granting special leave on private affairs, is incorrect. Those orders are applicable only to leave to be granted under Section XIV., Cap. 3 of the Civil Absentee Rules, and not to the privilege leave which Government are empowered to grant under Section XII., Cap. 3.

65. The sole restriction on the grant to Civil Servants of leave under the last named Section is, that no inconvenience whatever must arise from the departure of the Officer seeking it.

Letter dated 10th December 1858, No. 23.

PARAS. 199 to 204. Report orders on a reference from the Government of Bengal, as to whether privilege leave should be refused in cases in which the applicant was suffering from ill-health, the Civil Auditor having recently refused to grant privilege leave for fifteen days which was applied for on that ground.

ORDERED, with reference to the orders passed in this Department, under date the 5th June 1858, that a copy of the above be forwarded to the Government of Bengal for information and guidance.

Ordered also, that a copy be forwarded to the other Subordinate Governments* and Authorities † noted in the margin, for information and guidance, and to the respective Departments ‡ for information, and likewise to the respective Civil Auditors in Bengal, Madras, Bombay, North-Western Provinces and the Punjab, for their information and guidance.

Ordered also, that a copy be published in the *Calcutta Gazette*, for general information.

EXTRACT FROM THE PROCEEDINGS OF THE GOVERNMENT OF INDIA, IN THE FINANCIAL DEPARTMENT, DATED 27TH JUNE 1859.

Extract from a Despatch from the Right Hon'ble the Secretary of State for India, No. 32 of 1859, dated 14th April.

PARA. 48. It appears from these papers that during the residence of the Governor General in the North-Western Provinces, several instances of widows whose cases were not fully met by the grant of pensions under the Notification No. 938, dated 29th December last, were brought to the notice of His Lordship.

49. The Government of the North-Western Provinces, thereupon, proposed that, where a widow had been left destitute by the death of her husband and the destruction of the whole, or the greater part of his property, the pension, though reasonable as a means of future support, would not afford the means of meeting immediate necessities or of removal to a distance, a donation should also be granted not exceeding one year's pension under the Notification above referred to.

50. This proposition was sanctioned by your Government and has my approval, but I consider that, in cases where claims have been preferred on account of the loss of their husband's property, by widows, to whom, on the principle here laid down, donations have been granted, the amount of such donation should be deducted from any sum awarded as compensation.

Letter dated 16th December 1858, No. 23.

PARA. 152. Have sanctioned a proposal of the Government of the North-Western Provinces, to grant in certain cases to destitute widows of persons killed in the mutinies a donation as well as a pension.

PARAS. 223 to 236. With reference to the case of Mrs. J. Bell, the widow of an Unconquered Servant, have directed the introduction of an additional Rule into the Rules of the 13th November 1857, with a view to make some provision for the relief of destitute families of persons who, though they did not lose their lives in consequence of the mutinies, died after the loss of their property by the mutinies.

71. The Rule here laid down by your Government, is as follows:—*viz.*, "Grants of money will be given to the destitute families of persons, who, though they did not lose their lives in consequence of the mutinies, have died after the loss of all or nearly all their property by the mutinies; such grants will be regulated on the same principle as those allowed to European and Native Officers of the Government."

72. I have no objection to this Rule; but as in the case of the donations of an eleemosynary nature, referred to in paragraph 50 of this Despatch, I consider that grants made under this Rule should be deducted from the amount, which may be hereafter awarded as compensation for loss of property.

ORDERED, with reference to the Resolution recorded in this Department, under date the 26th April 1858, No. 2168, that a copy of the above be forwarded to the Home Department, for information and for communication to the Government of the North-Western Provinces.

Ordered also, that a copy be communicated to the Governments of Bengal and the Punjab, the Chief Commissioner of Oude, and to the Civil Auditors, Fort William, North-Western Provinces, and the Punjab, respectively, for their information and guidance.

Ordered also, that a copy be forwarded to the Military Department for information and further orders, with reference to the Resolution recorded in this Department, under date the 26th May 1858.

Ordered likewise, that a copy be published in the *Calcutta Gazette*, for general information.

No. 189.
FROM MAJOR J. L. VAUGHAN,
5th Punjab Rifles,
Commanding Field Detachment,
To MAJOR M. DILLON,
Major of Brigade,
Trans-Gogra, Gondah.
Camp Bhojpore, Trans Raptce,
The 19th June 1859.

SIR,
A PORTION of the Rebels under Baboo Pergun Sing, attacked by me on the 14th instant at Khungra-ka-naka, found themselves cut off from the road to Deokurh by the rapid advance of the British Troops, and saved themselves by quitting the road and hiding in the dense forest to the West of it. These fugitives were joined by the Akonah Rajah's people on the flight of the latter before Captain Cleveland's Detachment, and by a fresh party from Deokurh, and the whole under the Leaders as per margin, located themselves in the Sunputtree Pass, which is about 10 miles West of the Khungra Pass and the same distance from Musha. I heard of this assembly whilst encamped at Musha, with the Troops as per margin, and immediately arranged an attack for the following morning, 18th June
2. The Sunputtree Pass leads, like the Khungra Pass, from the Trans Raptce country into Deokurh (Nepaul), but it is accounted a very difficult one, and is only used by the cowherds of the District, who

pasture their cattle according to the season either on the Nepaul or British side of the mountains. It is approached through about six miles of the densest Terye Forest, and is simply the bed of a mountain torrent paved with huge boulder stones. A few resolute men could hold it against an army. The Rebel encampment was in a small open clearing on the edge of the torrent about four miles from the commencement of the forest.

3. The Troops marched from Musha at 2 A. M., in the strictest silence, and entered the forest unchallenged soon after day break. After proceeding about three miles into the forest, the advanced guard was seen by a Picquet of the enemy and concealment being no longer an object, the Troops were urged forward in view to allow the Rebels as little notice of our approach as possible.

4. The Rebel encampment was found deserted, and here I left the Cavalry, their services being no longer required owing to the nature of the road. With the Infantry I pushed on in pursuit as fast as possible. The tracks left by the Rebels showed both Cavalry and Infantry, and numbers of the latter were soon overtaken and slain, but I felt that the real prize was the Cavalry, and as the difficulties of the road increased at each step, made certain of eventually overtaking them. Finding that we gained upon them, they attempted to elude us by turning up the bed of a ravine to the right of the road, ignorant that there was no exit at the other end. Here they were overtaken, and every man slain, upwards of 25 horses, and 30 ponies laden with baggage, falling into the hands of the Punjab Rifles.

5. The pursuit was continued in all directions for fully five miles beyond the Rebel encampment, and great slaughter made. I am confident that upwards of one hundred Rebels must have fallen. When the Troops were utterly exhausted by the combined effects of distance, heat, and the suffocating atmosphere of the Terye Forest after heavy rain the pursuit ceased, and the Troops marched back to the Camp at Musha, which they reached about 3 P. M.

6. The behaviour of the men of the 5th Punjab Rifles was beyond all praise, and it was emulated by that of a small party of the Oude Police (Millett's Jezzailehees) which happened to be at Musha on a special service, and which I took with me to stop a road by which I thought it probable the Rebels would try to escape. I beg to solicit the 3rd Class of the Order of Merit for Havildar Moosa Khan, of the 5th Punjab Rifles, who particularly distinguished himself in this affair, and also for Subadar Nehall Sing, of the same Regiment, who in my presence slew three of the Rebels in single combat.

7. I have no Casualties to report.

8. In conclusion, I venture to hope that the affair now reported, in conjunction with that of the Khungra Pass on the 14th instant, will prove to the remaining Rebels the utter hopelessness of prolonged resistance, inasmuch as they have seen that the British Troops can and will attack them in their selected fastnesses of the frontier range of hills, undeterred alike by dread of the rainy season and of the deadly Terye Forest.

I have, &c.,
